

# Covenant Health

*Compassionate care led by Catholic values*

## Our Covenant

The mission, vision and values of Covenant Health define our identity as an organization and team of physicians, staff and volunteers. They guide the decisions, behaviours and attitudes for which we are all accountable.

## Our Mission

We are called to continue the healing ministry of Jesus by serving with compassion, upholding the sacredness of life in all stages, and caring for the whole person—body, mind and soul.

## Our Vision

Covenant Health will positively influence the health of Albertans and be of greater service to those in need by working together with compassion, quality and innovation.

## Our Values

As a Catholic organization, we are committed to serving people of all faiths, cultures and circumstances, according to our values:

- |                       |   |

| <b>Respect</b>        | We will respect the dignity of every human being, from conception to natural death    |
| <b>Collaboration</b>  | We will achieve more by working together than on our own                              |
| <b>Social Justice</b> | We will work in partnership with others to build healthy and just communities         |
| <b>Integrity</b>      | We will put into practice what we profess to be the right and ethical thing to do     |
| <b>Stewardship</b>    | We will be good stewards of all our resources, to sustain our mission into the future |
